

United Way of the CSRA

United Way of the CSRA has recently launched 'Ride United', an initiative to help transportation gaps in the community.

In partnership with General Motors and **Lyft**, United Way will schedule and dispatch **Lyft** rides for eligible participants.

Individuals in need of transportation assistance can dial 2-1-1 or call (706) 826-1492, Monday through Friday from 8:00 a.m. to 5:30 p.m. to schedule a ride.

Rides can be scheduled for either on demand or up to a week in advance.

This service is for residents of Richmond and Columbia counties.
